EXTRA-LARGE LICKS

I absolutely adore women with large-size rear ends. You always manage to find good-looking women with big backsides, and that's why I always buy TAILENDS.

The August issue was superb. The big butts were stupendous. I wish I could lick and kiss them all.

My present girlfriend has a wide ass, and she's always complaining that she can never lose it, even when she diets. I tell her I'm glad, because her big ass is one of the reasons I love her so.

FIRST-TIME DOGGY-STYLE

I'm writing to thank TAILENDS for the inspiration it gave my girlfriend, to let me fuck her from the rear. I guess, to a lot of people, doggy-style fucking is nothing special. But my girlfriend always considered it weird, and she would only assume the missionary position when we fucked. Then she saw your August issue and changed her mind.

This issue, as every one before it, was excellent. I especially enjoyed the close-ups, but then, I usually do.

I was so excited to see my girlfriend on her hands and knees on the bed. When I got up behind her, I grabbed her by the buttocks and pulled her pussy onto my cock. I could see her ass tighten up as her pussy muscles flexed around my shaft, and the sight of her wriggling ass got me off more than her milking pussy did. The best part was that my girlfriend said I'd never gone that deeply into her before, and now doggy-style isn't taboo for us anymore.

Thank you!

PROVIDES HIS OWN LATHER

Ah, that tail end. What a lovely sight, especially in the right places and in the right shape.

Now to brass tacks.

I was taught that cleanliness is next to godliness. It may be that is your belief, but, in the cases of your lovely models, if someone figures they need a shiny heinie, let them use oil.

Don't cover up all of those goodies with soap suds! I'm 63, but, let me tell you, that has in no way impaired my appreciation of a lovely, glorious ass.

Keep up the good work, especially those extreme close-ups.

PREDICTABLE EXCELLENCE

I have heen huying your magazine for over three years now, and your issues keep getting hetter and hetter. I don't even have to glance at the pages anymore when I'm in the store. I just purchase the magazine and take off knowing that I will get my money's worth.

All the ladies in your magazine are very sexy. There was one model that really caught my eye. She appeared the first time in your February 1994 issue, on the top of page 74. She really turned me on. The reason why she caught my attention was that she was huck naked from head to toe, with her lovely huns up in the air.

I think your magazine is the hest, without a douht. I would he truly grateful if you would show me some more of that heautiful lady in your future issues. But keep on doing what you are doing for TAILENDS, and don't ever stop.

SEXIER WITH SHOES ON

The latest issue was great. Got me off twice yesterday and once again today.

I have some suggestions.

No hare feet. All the girls whose feet are in the picture should he wearing high heels. The centers of hare feet turn me off.

Close-ups get me hot. Have more of them. Close-ups of clits are fantastic. Show the clit and the inside of the cunt.

How ahout some pictures of girls holding their ass cheeks apart? The shots of chicks pulling open their cunts are great, hut some rears are worthy of in-depth inspection.

How ahout more girls from Asia and Africa? They know how to take care of a man like a woman should.

DIRTY TALK AND BEE-JAYS

I came home and found the new TAILENDS had arrived. I sat down and started looking through it, and, of course, I got an erection. I slid a hand down my pants and into my shorts. I just meant to squeeze a little, hut the August issue was so hot, I had to jerk off.

My wife came home right when I was in the middle of shooting into a clump of tissues. She stood in the doorway and watched me cum. The look in her eyes told me it wouldn't end there.

"Hmm, keep looking at those naked girls," she said, and sank to her knees on the carpet right in front of me. Then, while I continued to ogle all the heautiful asses in the magazine, my wife gave me a hlow job.

Since I'd just cum, I was ahle to sit hack and enjoy my wife's mouth sliding up and down on my hard-on a little more leisurely than if there'd heen an urgent need to pop. I turned the pages and gazed at one gorgeous girl after another, and imagined their mouths taking turns at my prick.

My wife lifted her head from my crotch, having to snap a strand of saliva that stretched from my cockhead to her bottom lip, a simple thing that I found terrihly arousing. I wanted to tell not to stop, hut she spoke first.

"Tell me what you're thinking as you look at all those naked women. What would you do with them, if you could?"

I hesitated a moment. But the glazed look in my wife's eyes showed me she was as turned on as me. She wanted me to tell her my fantasies, and I did.

As I was describing what I'd do with a particular hlonde in the mag-

azine, putting in every little detail, my wife grabbed her pussy, bunching her skirt between her legs, and gyrated on her squeezing hand. Unbelievably, she was cumming. Realizing that, I shot into her mouth.

Later, we discussed what happened, and my wife admitted she'd like to see me fuck another woman. And she'd want to join in, too, she said.

Lucky me!

SHAVED BARE

I'd like to enter the enclosed photos in your amateur photo contest. Even if I do say so myself, I have a winner's ass. But I don't only say so myself. I'm always getting compliments on my rear assets.

I decided to shave my pussy for the photos. I read the letters and know a lot of guys get turned on by a shaved beaver. As you can see hy my photos, I didn't miss a hair, back to front.

I asked a good friend of mine to take the pictures, and she was here while I shaved. She told me that watching me shave was making her horny, and suggested, since it was my fault, I should do something about it.

"I didn't know you went both ways," I said.

"I didn't," she answered, but added, "until now." Well, I'd never done anything with another female before, but, hey, there's a first time for everything you want to do. And I wanted to. And we did.

I finished shaving my snatch, completely in the buff, and was glad I finished before my friend got naked, too. Looking at her naked body, seeing bow hard her nipples were, because she was turned on to me, like I was turned on to her, made me tremble all over. We were a little shy, but curiosity and need got the best of us, and soon we were hugging and rubbing our bare bodies together. Her hairy pussy tickled my fresh-shaved one.

This one encounter didn't make lesbians out of us, but we sure did enjoy ourselves. Neither one of us wanted to lick pussy, but we both came when we rubbed our pussies together. And my friend liked the feel of my shaved pussy so much, she shaved hers.

I hope to see my tail in the magazine very soon.

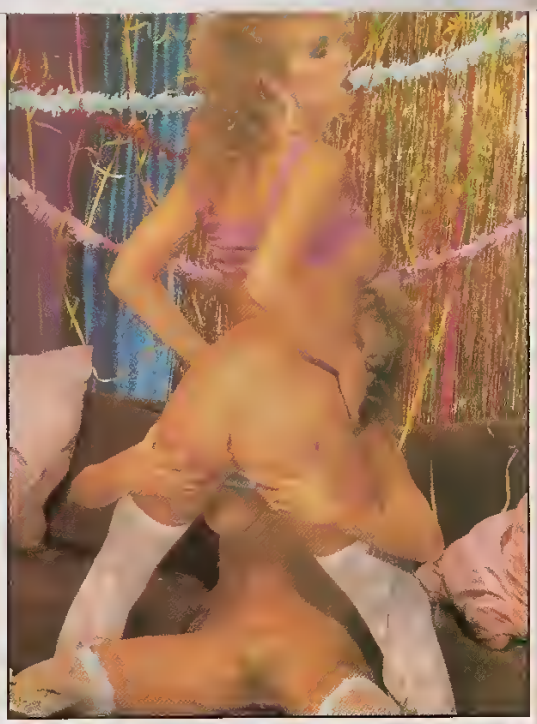
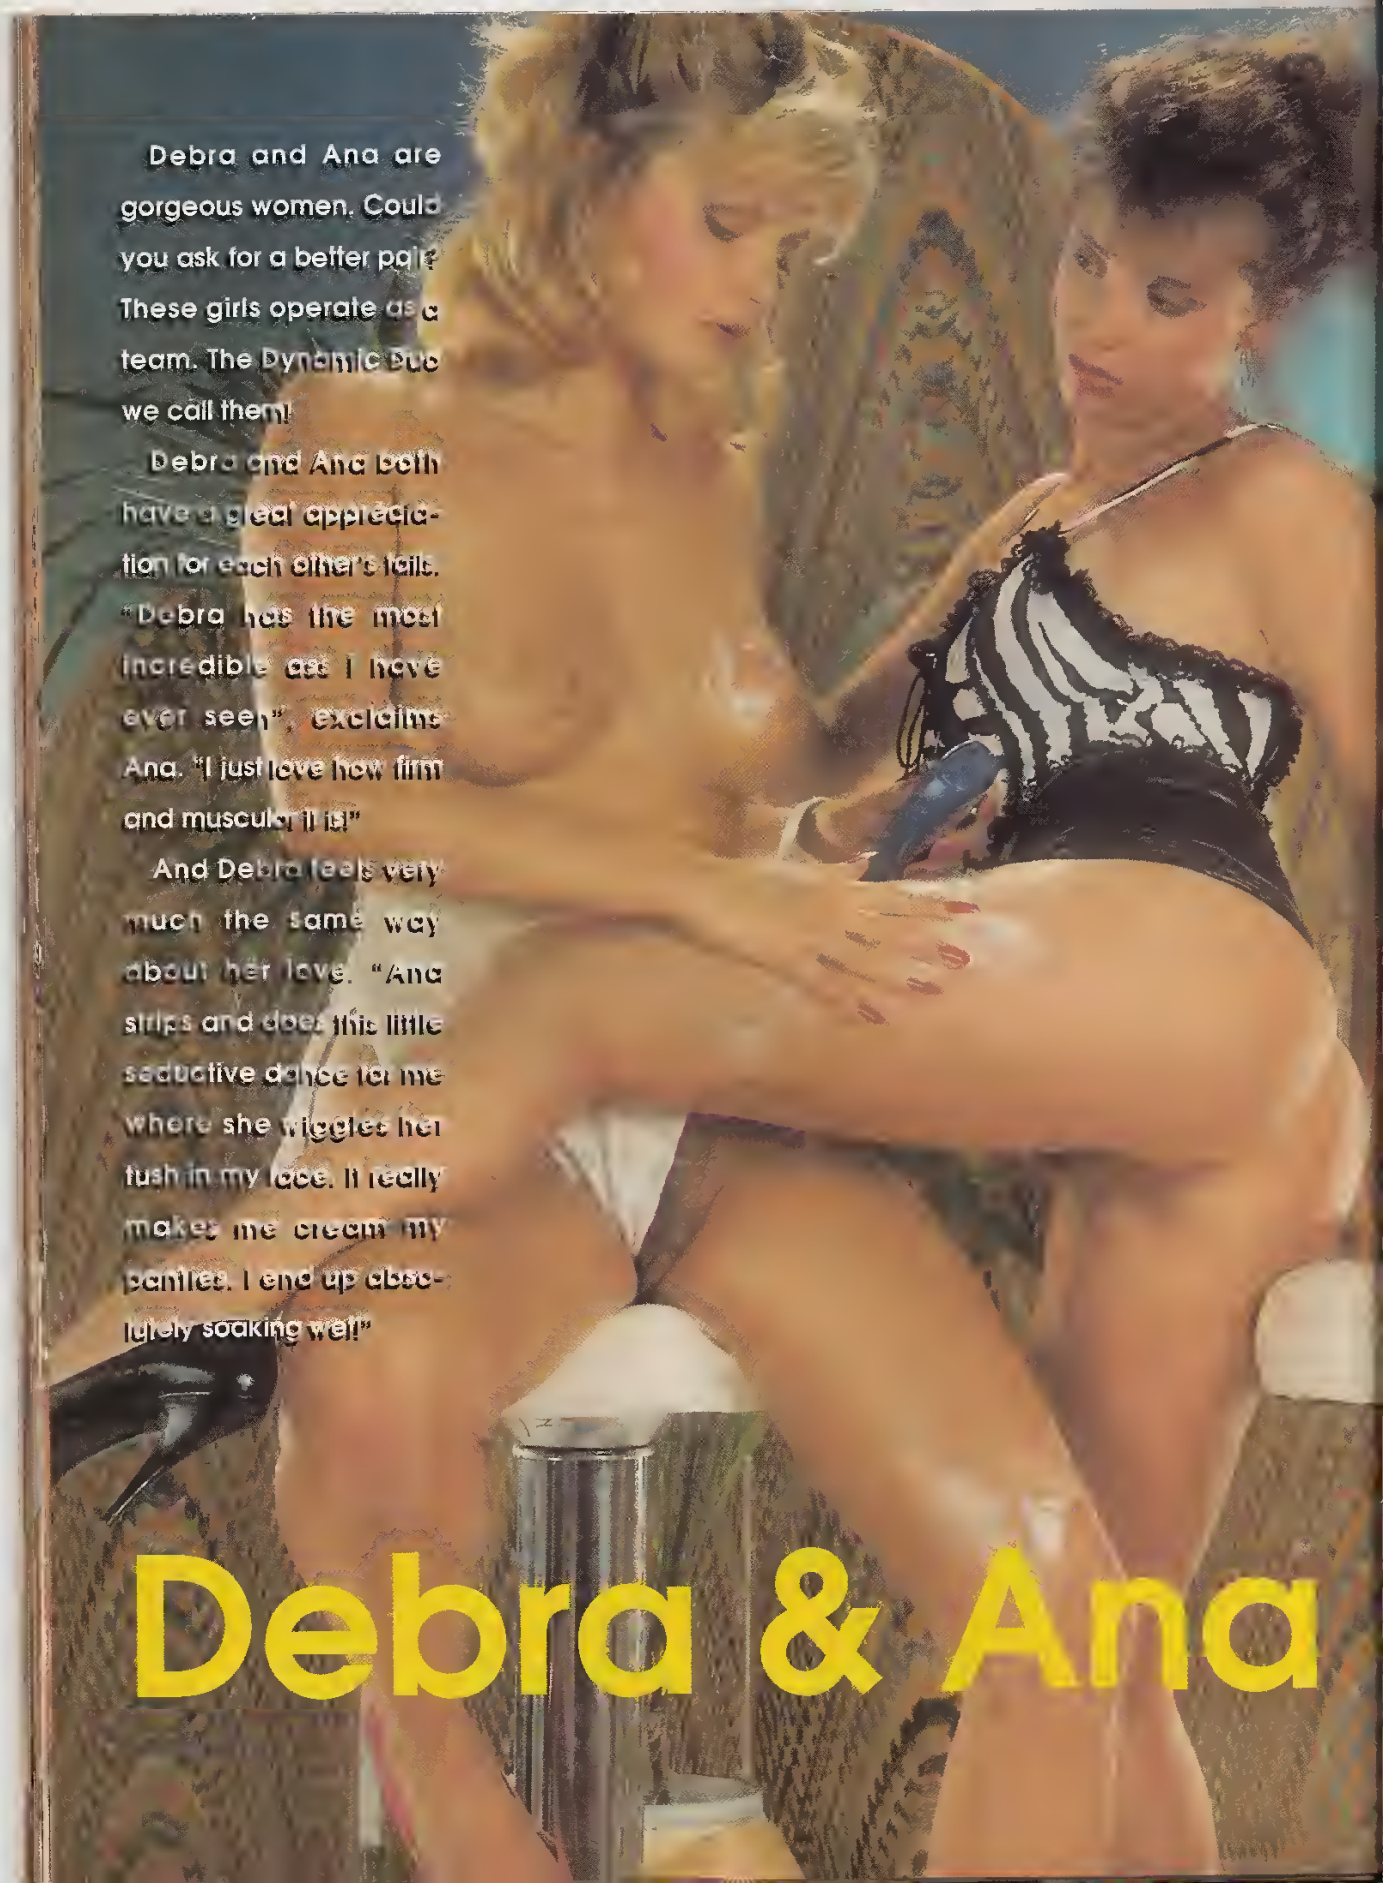
jennie

Jennie is a true rump-shaker. A party girl galore with some real get-up-and-go in her! She can shake her tail all night in a club! Her favorite pastime is to bump booties with a new guy in a club and then take him home for some serious sheet dancing.

As Jennie puts it, "I just love playing hide the salami! There's nothing like a man with a good piece of meat who knows how to use it and will let me eat it all night!" We think Jennie's got the perfect philosophy!

Lezzie Licks





Debra & Ana

Debra and Ana are gorgeous women. Could you ask for a better pair? These girls operate as a team. The Dynamic Duo we call them!

Debra and Ana both have a great appreciation for each other's tails. "Debra has the most incredible ass I have ever seen", exclaims Ana. "I just love how firm and muscular it is!"

And Debra feels very much the same way about her love. "Ana strips and does this little seductive dance for me where she wiggles her tush in my face. It really makes me cream my panties. I end up absolutely soaking wet!"

THE EDITORS

Dear TAIL ENDS,

I snapped this shot on the sly without my girlfriend noticing. We were at her girlfriend's barbecue and I just couldn't resist sneaking a shot.

Things got pretty wild that day. My girlfriend looked so good that every guy there was after her. I guess it was too much for her to take. She finally gave in to my friend Mike and they went upstairs to get sweaty. That's where I found them, in the thick of it no less!

What could I do but join them? It was a memorable Sunday to say the very least. The ribs weren't bad either.
